Writing Job application - What do we need?

1 Your task is to write a job application relating to one of the three levels we will play throughout our sessions. You can choose either between the Hospital, the Museum or the Diner.

- 250 words
- Make use of our new learned vocabulary which is related to the branche.
- Take the one, which fits best for you.
- Pay attention to the structure!

How to structure a cover letter? Here are some bullet points which will help you to write the job application:

- Sender´s Information
- Date written
- Receiver´s Information
- Salutation
- Opening paragraph
- Experience & skills
- Call-to-action
- Closing Paragraph
- Sign-off & signature

You can write this assignment digital or by hand.
