

Writing Task

Design a protagonist for a videogame of your choice. Think about what kind of game they will feature in and what their setting is like. You can choose the genre of the game (see the additional material), as well as the setting of the story (fantasy, sci-fi, realistic, ...). Write a text (min. 250 words) that answers most of the following questions about your character. Make a sub-heading for each section.

Basic Infos

- What is their name?
- Are they human? If not, what are they?
- How old are they?
- What kind of game are they part of?

Physical Description

- What do they look like?
- What clothes / accessories do they wear?

Background

- Where did they grow up?
- Who are their parents?
- Do they have siblings?
- What is their occupation? Do they have one?
- What is their role in the game world?

Personality / Goals

- What are their strengths?
- What are their flaws?
- What is their goal? Why?

Relationships

- Do they have any companions?
- Do they have a mentor?
- Do they have rivals / enemies?

Special Skills / Superpowers / Special Equipment

- What special skills do they have?
- Do they have superpowers / magic?
- Do they own special equipment?
- How do all of the above affect the game?
- How are their skills implemented as mechanics in the game?
