Moodle for Teachers
Under Construction

What is new in Moodle?

Using Moodle for your course or lecture

Basics

- How do I create a new course?
- How do I find my way in Moodle?
- How do I fill and administer my course?

Elements

- Which elements (activities, resources, blocks, left course column) can I use in a course?
- What do I have to take into account here?

Video tools and u:stream

- Which video conferencing and webinar tools are available to me?
- What do I have to do to use u:stream or videoconferencing from the lecture hall (hybrid teaching)?

Exams in and with Moodle

Training and support

- Which video conferencing and webinar tools are available to me?
- What do I have to do to use u:stream or videoconferencing from the lecture hall (hybrid teaching)?
- **Oral and written digital exams in Moodle**
- **Offline quiz**: take multiple-choice exam in lecture hall, evaluate automatically with Moodle

- **What support services are available around Moodle and e-learning?**
- **Where** can I find them?
